

**T47 International**  
We are the First Call

## Presents the Signature Government Experience

**T47's professionals have a distinctive practice that differentiates us from the rest: DIVERSITY OF SUPPORT.**

T47 International (T47) service capabilities include acquisition support, budget/resource management, medical and dental (clinical and non-clinical) case management, hospitality management; facility operations, logistics and supply technical analysis, strategic analysis and governance, administrative support, and security access control. **Since March 2017, we established our first contract with three (3) employees and as of August 2019, we have over 186 employees; located in twenty-one (21) states, three countries (Germany, Japan, and Bahrain) and supporting twelve (12) Prime contracts.** T47's growth rate since October 2017 to present is an **impressive 118.9%**.

### This is how we support contracts awarded on day one:

- Post Award Kickoff Meeting:** Honest staffing feedback and thorough review of contract deliverables to deliver **On-Time.**
- Staffing:** We leverage the power of Paylocity the Premier Human Capital Management Software **Minimizing Staffing Delays.**
- Corporate Executives Experience:** Average years of government contract experience – 17+ years; **We are not Novices.**
